Hope you had a great holiday season, and your training has begun for a fantastic 2012 season.

The BNS CG 2013 Management group has been busy planning camps and projects to prepare the team for selection races in 2013 and of course the 2013 Canada Games.

We are in the midst of planning these projects and we would like to gauge the interest on your continued participation of these projects and continued path towards the selection events and the ultimate goal of the making the BNS 2013 Canada Games Cycling Team.

Please send us a note to confirm your interest by Friday January 27, 2012. If we do not hear from you, we will remove your name from our core team list and you will not continue to receive the core team emails.
